**LAZAREX CANCER FOUNDATION SAFARI FOR THE SOUL FUNDRAISER
SET FOR APRIL 5, 2008 IN SONOMA**

DANVILLE, CA, February 29, 2008 – Lazarex Cancer Foundation is hosting a unique fundraising evening on April 5, 2008 from 4-8 p.m., that includes an original African art show and sale, delicious appetizers and samples of varietals from local Sonoma wineries. The event is being held in conjunction with Spirits in Stone Gallery, located at 452 First Street East, Suite A, in Sonoma.

Lazarex Cancer Foundation is a volunteer-run nonprofit supporting cancer patients who have been failed by conventional medicine by providing financial assistance for, and access to, new and promising treatments. Safari for the Soul will take place in the Spirits in Stone warehouse, located at 21889 8th Street East in Sonoma. Guests will have access to an extensive collection of unusual and beautiful African art, jewelry and sculpture and 30% of the price of all art purchased during the evening will be donated to Lazarex Cancer Foundation, supporting their goal of Changing the Face of Cancer, One Life at a Time.

“The Safari for the Soul event will be an opportunity for us to share the artwork, jewelry and garden sculpture of Spirits in Stone with our Lazarex Cancer Foundation supporters,” says Dana Dornsife, Lazarex Cancer Foundation president. “Much like Spirits in Stone is helping African artists today, Lazarex Cancer Foundation is helping cancer patients today and every day, and we need the community’s support to continue to help these patients have a much higher quality of life.”

Lazarex Cancer Foundation provides access to revolutionary treatments, such as Rixin-G™, the first treatment the Foundation has endorsed. When given by intravenous infusions, Rixin-G™ has been shown to stop cancer growth with shrinkage and death of the cancer cells of solid tumors in humans—determined by CT scan and MRI—without eliciting the debilitating side effects that often accompany treatments such as chemotherapy. Rixin-G™ is approved in the Philippines for all solid mass tumors and in Phase 1/2 trials here in the United States for sarcoma, pancreatic and breast cancers.

Suggested donation for the evening is \$35. To register, visit www.lazarexfoundation.org or call 925.820.4517.
